

Expression of Interest (EOI) for Mobile Expansion Project

Myanma Posts and Telecommunications (‘MPT’) is considering to expand the existing mobile network throughout the country which is currently dominated by Huawei’s , ZTE’s and ASB’s products from China . Total capacity is supposed to be 5 million lines and it would be comprised of (GSM) , (HSPA+) and (LTE Advance) as shown in below.

# GSM (900)	-(20%) of Total Capacity
# GSM/HSPA+ (900/2100)	-(80%) of Total Capacity
# LTE Advance (1800)	-(15%) of Total sites (existing or new site)

(Note – LTE is not for public services just for the ASEAN’s meetings)

MPT would like to invite interested bidders to submit an **Expression of Interest** (‘EOI’) in person by **February 11th , 2014** , 4:30 Pm @ the following address .

Address for Submission

Chief Engineer Office

Mobile Communications Department
